Director, National Security Agency  
Ft. George G. Meade, Maryland 20755

I would like to thank you very much for the excellent series of briefings presented by your staff on Monday. Not only was the subject matter very interesting and educational for me, the quality of the presentations was superior and the content was precisely what I wanted. It is obvious that at NSA you possess a wealth of talent and experience in your workforce. Please convey my gratitude to the participants for a job exceptionally well done.

The Director had what I believe is a series of good briefings at NSA yesterday. I have attached one possible version of a thank you note should he wish to send one.
